I need these A.S.A.P.
- Children will be given a presentation on 'Appropriate Behavior' on Fri. 22nd @ 9:30 & if they have not done so, will be requested to sign the 'Code of Conduct' contract with the school.
This also needs to be signed by parents.

Contact Home:

- Children will
not be allowed to phone home, or bring mobile phones.
This helps avoid homesickness.
- My mobile phone number is: 07970-434199, Keri's is: 07766-904554
(if you feel the need to contact me, before or during the trip).
- Children will attempt to send you a postcards every days, a little bit like a trip diary.
- Group Text messages. I find this an easy way to let you know how things are going.
We arrived ok, confirmation of ETA back at school etc.
Ensure I have the mobile phone numbers you wish me to text you on.
More than one number is fine.
