

River Axe Race

20th March

This popular race is an excellent introduction to canoe racing and also provides a challenge for the more experienced paddler. All classes are open to paddlers with disabilities.

The race starts 5 miles south of Axminster at Whitford Bridge M/R 263953. The river Axe twists and winds its way through the Axe Valley for 4 miles before opening out onto the estuary, with a further 1 mile of racing to the finish at Axmouth Harbour (Axe Yacht Club Seaton)

Separate classes and age categories allow for fair competitive racing and there are medals for all classes.

Free refreshments are available to all competitors.
