### **Police Junior Lifeskills 2012**

What is this event about?

There are a number of workshops which the pupils rotate through, experiencing those which are run by organisations like: Police, Fire Brigade, St John's Ambulance, Devon Highways etc. The sessions are hands on, quite often involving a scenario which the pupils have to solve, the object is to get them to think about & be aware of everyday dangers & how best to avoid or cope with them.

Such dangers as, electrocution, car accident, cycle safety, fire in the home, unwanted attention from strangers. The exact program I do not have, but they are tailored to this age range of pupils & previous years have been greatly enjoyed by the pupils.

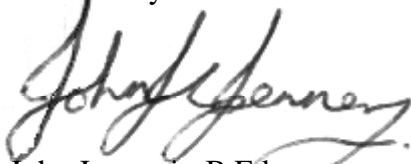

This Thursday 21<sup>st</sup> June we will be taking a pupils to this event, there is no fee.  
Our session is in the afternoon & we should be back by the end of the normal school day.

Pupils will be expected to wear school uniform throughout the event.

Places limited to 20 students.

It is strongly recommended that all pupils attend.

Yours sincerely

### **Police Junior Lifeskills 2012**

What is this event about?

There are a number of workshops which the pupils rotate through, experiencing those which are run by organisations like: Police, Fire Brigade, St John's Ambulance, Devon Highways etc. The sessions are hands on, quite often involving a scenario which the pupils have to solve, the object is to get them to think about & be aware of everyday dangers & how best to avoid or cope with them.

Such dangers as, electrocution, car accident, cycle safety, fire in the home, unwanted attention from strangers. The exact program I do not have, but they are tailored to this age range of pupils & previous years have been greatly enjoyed by the pupils.

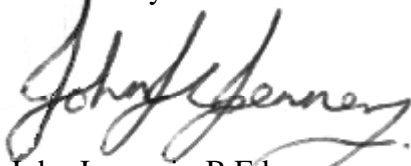

This Thursday 21<sup>st</sup> June we will be taking a pupils to this event, there is no fee.  
Our session is in the afternoon & we should be back by the end of the normal school day.

Pupils will be expected to wear school uniform throughout the event.

Places limited to 20 students.

It is strongly recommended that all pupils attend.
